Multi-line Discount

More lines = More savings
Save more with every phone you add

For more information, visit att.com/gomulti.

¹Pay standard charge for first month. Get \$5/mo. discount upon enrollment in AutoPay. Restr. apply. See att.com/goautopay for details.

²Data speeds limited to a maximum of 3Mbps. For content we can identify as video, streaming speed is limited to a max of 1.5 Mbps (Standard Definition quality, about 480p) maximum. Data & video speeds capped at above amounts, regardless of network technology used (e.g. 4G LTE, 4G or 3G). After 22GB of data usage on a line in a rate plan term, for the rest of the term AT&T may slow data speeds on that line during periods of network congestion. See att.com/broadbandinfo for details on AT&T's Network management policies. Mobile Hotspot use prohibited.

³After high-speed data allowance is used, speeds are slowed to max of 128 Kbps for rest of 30-day term. Includes Stream Saver. See att.com/stream saver for details

⁴Pkg. good for 30 days if acct bal. is not expired. To buy/renew pkg. rate plan must be active. Includes Stream Saver. See att.com/stream saver for details.

⁵Incl. unl. calling, texting & data usage w/in & between the US, Mexico & Canada. If talk & text while in Mexico and/or Canada exceeds 50% of total talk & text usage for three consecutive months, service may be terminated.

AutoPay

Save up to \$60 a year

When you enroll in AutoPay, pay automatically with your credit/debit card. Never miss a payment and lose service again.

(Yearly savings based on \$5 discount per month after enrollment in AutoPay.)

Visit att.com/gophone

GoPhone service is subject to the Plan Terms and the GoPhone Terms of Service located in your GoPhone device packaging or att.com/gophoneterms. Monthly plans good for 30 days. Day of activation counts as first day regardless of time of day activated. Eligible device required for all plans as specified in this GoPhone brochure and the Plan Terms. Unless permitted by rate plans, a plan designed for one type of device may not be used with another type of device. AT&T reserves the right in its sole discretion to suspend or terminate your GoPhone service or account, remove any element of the plan from being used on a non-designated device or place an appropriate plan on any non complying device if you: a) use any GoPhone service excessively, abusively or fraudulently; b) resell or rebill the Services or c) use a plan with a non-designated device or without all of the required elements of the plan. You must add money to your account within 26 days of activation or your account will be canceled. Amounts deposited into your account expire in accordance with the stated refill denomination expiration period. Unused account balance is forfeited upon expiration. If you are on a monthly plan, the applicable monthly plan charge for each renewal period will automatically be deducted from your account balance at the beginning of the day (midnight Central Time) on your monthly plan renewal date. **Applicable plan charge for any GoPhone plan is not refundable and not exchangeable and any unused services of your plan are forfeited if you change to another plan during your plan's period.** If account balance is insufficient to pay the applicable plan charge you will not be able to use your GoPhone services until you refill your GoPhone account with the applicable amount or your plan is renewed. Failure to do so may result in cancellation of your account. A new wireless phone number will be required to reactivate service once account is canceled. Account balance limit is \$500. In many jurisdictions, certain recurring fees or taxes will be debited from your account balance as allowed by law. Other taxes, surcharges and fees, including E911 fees, apply in addition to refill denominations. **Rollover Data™:** Available for mobile phones on select plans only. **Packages:** Good for 30 days from the day you purchase. You must have an active plan in order to purchase or renew a package. Some packages may only be added to certain monthly plans. When you add a data package to a monthly plan that includes data allotment, the use of data will be counted first against your data package. If a monthly plan includes a data allotment, the unused portion of the data allotment in your plan will remain avail. for use until the last day of your plan term, provided you deplete your data package. Availability of services, time period during which services are available, allotment of services and eligible devices vary by plan and packages. Plans, charges, fees, options and terms are subject to change at any time. Restrictions, limitations, and conditions apply to all GoPhone Plans and Packages. For complete Plan Terms and Terms of Service, go to att.com/gophoneterms. © 2017 AT&T Intellectual Property. All rights reserved.
